

Camp Ooch & Camp Trillium are looking for Fall Staff!

A diagnosis of childhood cancer changes life in an instant. For affected children and families, it can suddenly feel like everything is about cancer.

Camp Ooch & Camp Trillium (merged in 2020) offers a different journey, where kids with cancer can just be kids, and families connect with a community of strength and support when they need it the most.

So much more than a summer camp—we offer the social cure for childhood cancer. Our camp-inspired programs deliver fun, friendship, and community to children and families at no cost to them year-round, all across Ontario.

Cancer changes a child's life. So does camp. And so can you. Learn more at <https://ooch.org>.
