

Around The Campfire

SUMMER 2021

This summer, Ooch & Trillium is planning to offer modified family retreat experiences at both Rainbow Lake and Ooch Muskoka, along with modified in-person day camps, a leadership day camp, and community programs. This update focuses only on in-person summer camp programs—dates and descriptions for summer virtual and in-person community programs will be communicated in a future update later in the spring.

***The health and safety of our community is always our top priority and we continue to closely monitor the developments related to the COVID-19 pandemic. Due to public health and other guidelines, capacity at in-person programs will be limited. We are working towards providing as many families as possible with an in-person experience this summer and fall.**

FAMILY OVERNIGHT CAMP

Five-day and four-night family retreats will run from Wednesdays to Sundays at both Ooch Muskoka and Rainbow Lake throughout the summer. Families will maintain household “bubbles” as they take part in special camp traditions and activities—like campfires, sleeping in cabins, swimming, canoeing, evening games, and so much more! It will be fun for the whole family!
